Thank You to 2017’s Sponsors
The 2018 Colorado Defense Lawyers Association's (CDLA) Annual Conference will undoubtedly be the most engaging Annual Conference to date, in no small part because of exhibitors and sponsors like you. Attendees will start each day with yoga or a workout on the top of San Sophia overlooking our 2018 host town of Telluride, Colorado. Taking cue from this natural setting and true to our **2018 Health and Wellness** theme, attendees will then hear from inspirational speakers before participating in candid discussions on how to be better stewards to ourselves, the legal profession and our judicial system. All the while, guests will be taken on a tour of the town's farmer's market by a local nutritionist or partake in a coordinated hike in the San Juan Mountains and Wilson Peak. Several other offerings will include golf, mountain biking, rock climbing and a cook-off challenge. In the evenings, we will all come together for locally sourced long-table dinners and share in conversations of the day’s events.

Don’t miss this opportunity to promote your products and services to attendees from across Colorado and the mountain region. Everything about the Annual Conference has been evaluated and up-dated thanks to insight from our recent sponsor roundtables. This packet includes complete information on all offerings, including a tentative schedule, floor plan, general meeting information, registration packet, and available sponsorship opportunities. You can also maximize your exposure beyond an exhibit table by also sponsoring an event at the Annual Conference or conducting a business card raffle. CDLA has scheduled several events to create opportunities for exhibitors and sponsors to meet and talk with our members, including several reception dinners, daily continental breakfasts and refreshment breaks to increase traffic in the exhibit showcase, and small networking events. More importantly, all tier-level sponsorships include access to all receptions, presentations, and other offerings of the Annual Conference so that you have complete access our members throughout your time in Telluride.

The Board appreciates your support of CDLA and look forward to working with you to make Telluride a successful event. If you have any questions regarding the Annual Conference contact me at 303.573.2915 or creeves@waltzreeves.com. For complete meeting information, please visit mycdla.org.

Kind regards,

Christopher R. Reeves, Esq.
2018 Conference Chair

Traffic Building

To assist in maximizing floor traffic during the 2018 Annual Conference food and beverage are placed within the Exhibitor Hall within the Telluride Conference Center. In addition to putting food and beverage in outlining corners or aisles, food and beverage will also be located in the booth aisles. This placement drives more traffic around and to your booth and maximizes time spent on the exhibit floor.

Customer Engagement

CDLA highly encourages you to hold a business card raffle during the Annual Conference. Raffles will be held on Saturday July 28, 2018 before the last session of the day. Participating companies will have their drawing before attendees in the General Session conference space.

Hotel and Travel Information

A limited number of discounted hotel rooms have been made available at the Madeline Hotel and The Peaks Resort and Spa in Telluride, CO. The hotel block is limited and rooms and rates are available on a first-come, first-served basis. You must make reservations by July 1, 2018 to be eligible for the group rate. Requests for reservations made after July 1, 2018 are subject to room and rate availability. Visit www.mycdla.org for more information.
Exhibitor Rules and Regulations

CDLA is committed to providing each exhibitor an equal opportunity to present its products and services and providing our members access to high-quality services and products. Contract Conditions/Rules and Regulations have been established to ensure these goals. Every effort will be made to accommodate written requests for exceptions in light of the restrictions imposed by aisle traffic, neighboring exhibits and the general character of the showcase.

Application Procedure

CDLA limits the number of exhibitors in the exhibit hall in order to allow the exhibitors increased access to attendees. Applications are time sensitive and on a first-come, first-served basis. Exhibitors must submit a completed 2018 CDLA Annual Conference Exhibitor Application. Applications will not be processed nor space reserved without the required full payment by credit card or check. Make all checks payable to CDLA.

Exhibitor Location Selection

Payment and completed applications must be received no later than June 1, 2018 to take full advantage of the exhibitor table/site selection process.

Exhibitor table selection will open in mid-June 2018 with a specific date announced no later than 30 days before the selection process is opened. For 2018, exhibitor table selection will occur on a cascading wave system, with those exhibitors at the highest sponsorship amounts (as of the opening of the selection process) going first. Additional attendee registrations are not considered sponsorship. Once open, invitations will be emailed to exhibitors in the first selection wave. Once they have selected, the next wave of invitations are sent out. This process will continue until all exhibitors have an opportunity to select their location. Where an exhibitor submits its application after June 1, 2018, it will default into the last selection wave.

Payments, Cancellations and Refunds

All written applications must be received with full payment to be processed. All cancellations and requests for refunds must be made in writing to CDLA. Cancellations postmarked on or before June 1, 2018 will receive a refund, less a $500 processing fee. Absolutely no refunds will be made after June 1, 2018.

Use of Space

No exhibit will be permitted which interferes with the use of other exhibits or impedes access to them or impedes the free use of the aisles. Any special promotions, music or stunts planned for the exhibit hall, or in the area of the Telluride Conference Center including the parking lots, sidewalks and streets adjacent to the area, must be cleared with CDLA. CDLA reserves the right to designate specific days and hours during which such special promotions and stunts may be conducted, if they are permitted at all.

Installation of Exhibits

At the time of writing these rules, installation hours are Thursday, July 26, 2018, starting at 9:00 a.m. based on a target move-in. All exhibitors should try to be set up by 5:00 p.m., where possible. Permission to work outside of the established time will be granted, where possible, with prior notice. If an exhibit is not set up by Friday, July 27 at 7:30 a.m., CDLA reserves the right to reassign such space to another Exhibitor or to make such other use of the space as deemed necessary or appropriate. NOTE: Set up hours specified here are subject to change, in which case, all Exhibitors will be notified.

Dismantling of Exhibits

Dismantle hours are Saturday, July 28, 2018 from 2:00 p.m. to 4:00 p.m. No crating or packing of goods may occur between 7:30 a.m. Friday, July 27 and 2:00 p.m. Saturday, July 28, 2018. Dismantling or removing an exhibit or materials, including packing literature or products, before the official closing of the 2018 Annual Conference is not permitted without prior notice and approval.

Endorsements
